LAKE CHARLES LOCALS.

Services at the Baptist Church Were Largely Attended.

We answer the questions briefly. If you cut an artery in your arm you do not take internal medicine to stop the flow of blood. You USE LOCAL APPLICATIONS. Similarly when the urchiral ducts become weakened and relaxed it is ridiculated in the urchiral ducts become weakened and relaxed it is ridiculated in the urchiral canai through the stomach and urine before it reaches the seat of disease. The seminal ducts project into the urchiral canai through the Prostate Gland, and are easily reached by LOCAL THEATMENT. The St. James treatment is local, direct and positive.

Varicocele.

Varicocele.

Varicocele.

Varicocele is an accumulation of sluggish blood in the veins of the scrotum, due solely to imperfect circulation, and has its origin in a diseased and torpid Prostate Gland. Operations in this disease are only temporary, and no mechanical device yet discovered has cured a single case. Gran-Solvent heals the Prostate Gland.

Prostate Gland. Lake Charles, La., 12.-The new boiler and engine of the Hodge Fence company saw mill has been purchased and is en Athletic club tonight gave route for New Orleans. This improvestatement as to the Jef- ment will necessitate the building of a new boiler house and a general rearranging of the engine room. The addition t us in the effort to carry to the power house will add greatly to we have felt from its inniy feasible and right, but is a capacity of the mill and will place is among the foremost too, in this saw mill the course hereofore outcommunity.

The house of the lamented Captain Thomas Kaough caught fire about 8 o'clock last night. The fire alirm was sounded but the fire was extinguished long before the lady of the telephone exchange bad finally satisfied anxious in-

change had finally satisfied anxious independent of the fight, and a second sec

adjoining the opera house.

The Sabine Supply company has leased the Cull building, corner Front and Fourth streets, and after remodeling the

building will occupy it with their mill supply, hardware and furniture store.

Work is orogressing rapidly on the new shop of the Orange iron works, and they will soon move into the building which will be fitted up with all the intest machinery for turning out in their line.

HEARNE ITEMS.

Seed Corn Is Being Imported by the Planters.

Hearne, Texas, January 12 -A meeting of the stockholders of the new old mill will be held in the city of the 15th of the month. Preparations will then be made for the construction of the mill.

One of the heaviest frosts seen in Texas in many years greeted those who arose early this morning. The ground was literally covered and was frozen also. The people are taking advantage of the cold weather and are bailing hogs. A great many of them are selling their meat on the streets here.

Several carloads of corn are being ship-Several carlinads of corn are being shipped in by the planters of the bostom. The crop in the bostom this year was very short, and as a result corn had to be gotten elsswhere. Mr. H. O. Grayson, a planter, bought 800 bushels of Kansas corn at 35 cents per bushel, laid down here. More corn wil be planted in this section this year than here are section. section this year than has been planted
